Anniviers, July 2021

Re 2021 Municipal Taxes

Dear Madam/Sir,

Please find enclosed your Municipal taxes invoice along with some valuable information we are pleased to share.

Whilst the Municipal Council is glad to report a significant tourist inflow in Anniviers this past winter despite the measures imposed by the health crisis, a large number of businesses have experienced a severe economic setback. The hospitality industry, in particular, has suffered greatly due to Covid 19 restrictions. Bars, cafés, pubs and restaurants... all were required to close throughout the winter season, thus being forced to lose the greatest part of their revenue.

Hyperaware of just how important this industry is to our touristic region and therefore intent on boosting the local economy, the Municipal Council has decided to support cafés, bars and restaurants by offering homeowners CHF25 vouchers off purchases of and over CHF50.

The vouchers can be redeemed until October 31st, 2021, at any of the establishments listed on: www.anniviers.org/bon.

Recipients of this letter will be allocated vouchers as follows:

Primary Home: 2 vouchers

Secondary Home/s

- 2 vouchers per home for people who are the unique owners of a home
- 1 voucher per home for those whose home is owned by several people

We hope this letter finds you well and look forward to seeing you in Anniviers soon.

Yours Sincerely,

MUNICIPALITY OF ANNIVIERS
